Western Swing with a Honky Tonk Heart

ABOUT THE BAND

The Western Stars are a high-energy western swing band bringing timeless music to modern audiences. Blending tight harmonies, hot fiddle, jazzy solos, and swinging rhythms, they draw inspiration from the golden age of Texas swing while adding their own fresh, lively edge. Their concerts channel the spirit of old-school dance halls—where the music swings hard and nobody leaves early. Warning: side effects may include spontaneous two-stepping along with mild to moderate hootin’ and hollerin’.
